We restore according to the standards set by the IICRC. The IICRC is a non-profit organization that sets the standards for the cleaning and restoration industry. Think of them as the experts in dealing with things like water damage, fire damage, mold remediation, and carpet cleaning. The IICRC recognizes that air movers might stir up dust and other particles into the air. To provide you with the best possible service, we request that you provide us with the following information:

Understandings and Agreements

Please understand that we are not doctors or health professionals. You are ultimately responsible for the health of yourself, your family, and all occupants or visitors of the building. However, we take health seriously, and the answers you provide influence the way we go about the restoration process.

I agree to **release, waive, discharge, and hold harmless** *Upfront Restoration & Roofing, Inc.* and its employees, agents, contractors, and affiliates from any liability, claims, or causes of action arising out of or in connection with your health or well-being as a result of the restoration process.
