

# Gutter Estimate Form

Name	Location	Date
------	----------	------

## General

Size of current Gutters 4" \_\_\_ 5" \_\_\_ 6" \_\_\_ Commercial \_\_\_

Size of new Gutters 5" \_\_\_ 6" \_\_\_ Both \_\_\_ Commercial \_\_\_

Do we need gutter guard? Yes ☐ No ☐

- If so, gutter guard is written in with a different template. In the same gutter estimate go to the bottom and create a new section. Choose the gutter guard template and enter the total LF of gutter as the total LF of gutter guard needed.

What are we replacing? ☐ All Gutter or ☐ F-Ele ☐ R-Ele ☐ B-Ele ☐ L-Ele  
☐ All Downspout or ☐ F-Ele ☐ R-Ele ☐ B-Ele ☐ L-Ele

## Colors & Paint

Get gutter color from job pics. May find the color in Messages.

Are we painting the gutters?

- If no, delete Paint Section
- If yes, add the paint color to the Gutter Materials Color line.

## Front Elevation

Gutter Length	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF
Endcap Left	_____				A-Elbow		_____					
Endcap Right	-	-	_____		B-Elbow	-	-	-	_____			
Inner Miter	_____				Offset Elbow		_____					
Outer Miter	-	-	_____		Total Elbows Installed		_____					
Total Miter Installed	_____				Diversers	-	-	-	_____			
Downspouts	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
Extensions	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
					<b>Combined Downspout &amp; Extension LF</b>					=	_____	LF
Detach & Reset Downspouts	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF

## Right Elevation

Gutter Length	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF
Endcap Left	_____				A-Elbow		_____					
Endcap Right	-	-	_____		B-Elbow	-	-	-	_____			
Inner Miter	_____				Offset Elbow		_____					
Outer Miter	-	-	_____		Total Elbows Installed		_____					
Total Miter Installed	_____				Diversers	-	-	-	_____			
Downspouts	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
Extensions	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
					<b>Combined Downspout &amp; Extension LF</b>					=	_____	LF
Detach & Reset Downspouts	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF

## Rear Elevation

Gutter Length	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF
Endcap Left	_____				A-Elbow		_____					
Endcap Right	-	-	_____		B-Elbow	-	-	-	_____			
Inner Miter	_____				Offset Elbow		_____					
Outer Miter	-	-	_____		Total Elbows Installed		_____					
Total Miter Installed	_____				Diversers	-	-	-	_____			
Downspouts	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
Extensions	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
					<b>Combined Downspout &amp; Extension LF</b>					=	_____	LF
Detach & Reset Downspouts	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF

## Left Elevation

Gutter Length	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF
Endcap Left	_____				A-Elbow		_____					
Endcap Right	-	-	_____		B-Elbow	-	-	-	_____			
Inner Miter	_____				Offset Elbow		_____					
Outer Miter	-	-	_____		Total Elbows Installed		_____					
Total Miter Installed	_____				Diversers	-	-	-	_____			
Downspouts	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
Extensions	#1	_____	LF	#2	_____	LF	#3	_____	LF	=	_____	LF
					<b>Combined Downspout &amp; Extension LF</b>					=	_____	LF
Detach & Reset Downspouts	_____	+	_____	+	_____	+	_____	+	_____	=	_____	LF

## Estimate Writing Totals

Add gutter LF = Front \_\_\_\_\_ Right \_\_\_\_\_ Rear \_\_\_\_\_ Left \_\_\_\_\_ = \_\_\_\_\_ LF

- If using a Hover report just input the Eaves number as gutter LF.

Add downspouts = Front \_\_\_\_\_ Right \_\_\_\_\_ Rear \_\_\_\_\_ Left \_\_\_\_\_ = \_\_\_\_\_ LF

- Note – Clips, outlets, and caulk are not on estimates. We increase the cost of gutter & downspouts to cover the items and keep them as stock items.
- Note – there is a Bay Miter option which offers a 120° angle instead of the Box 90° angle. These are used around bay windows or in unique situations.

## Gutter Accessories

Gutter Spray Paint – always include one of these.

Zip Screws – Most jobs require just a bag. A job with 10 or more downspouts can order a box. Or a job with 4 or more miters can order a box.

Hangtite Strap Hangers – most jobs do not use these. Use when we have to hang gutters with no fascia. It is best to confirm with the Field Manager if you think these may be needed.

## General Notes
